

Small mines annual safety roadshow

February to March 2023

The Department of Regional New South Wales acknowledges that it stands on Country which always was and always will be Aboriginal land. We acknowledge the Traditional Custodians of the land and waters, and we show our respect for Elders past, present and emerging. We are committed to providing places in which Aboriginal people are included socially, culturally and economically through thoughtful and collaborative approaches to our work.

Survey

A link to a Survey will be sent out to all attendees.

Please take the time to do it, it will help us improve our events in the future.

The link will be sent about a week after today's roadshow.

Maintenance of competence breakdown of hours will also be sent out. Those who need to record their maintenance of competence can use these hours for their records.

An aerial photograph of a rural landscape at sunrise. The sun is low on the horizon, casting long, golden rays across a field of scattered trees and a misty ground. The sky is a mix of orange and blue.
