Dear [REDACTED]

**NOTICE OF GRANT OF AMENDED ACTIVITY APPROVAL (MAAG0017117) AND
CANCELLATION OF ACTIVITY APPROVAL (APO0001351, granted 1 May 2023)**

Your application has been assessed and I advise as follows:

1. Pursuant to sections 23A(4) of the *Mining Act 1992* a delegate of the Minister has decided to grant the activity approval on the terms set out in the activity approval. The activity approval is attached at **Annexure A** to this letter.
2. Pursuant to sections 23A(9)(a) and 23A(12) of the *Mining Act 1992* a delegate of the Minister has decided to cancel activity approval (**APO0001351, granted 1 May 2023**).

This grant of the activity approval outlined in point 1 above and the cancellation of the activity approval outlined in point 2 above is effective from the date of this letter.

OTHER

You are reminded of your obligations under the *Mining Act 1992* to provide and maintain a security deposit to secure funding for the fulfilment of obligations under the authorisation, including obligations under the authorisation that may arise in the future.

If you have any questions about this letter, please contact [REDACTED] directly on 1300 814 609 or via email at nswresourcesregulator@service-now.com referencing MAAG0017117 in the subject line.

Yours sincerely

Signed under delegation from the Minister administering the *Mining Act 1992* and under delegation from the Secretary of the Department.

ANNEXURE A

ACTIVITY APPROVAL OF ASSESSABLE PROSPECTING OPERATIONS

EL 9399 (1992)

Activity: EL9399 Exploration Program - Stage 2

Application Reference: MAAG0017117

ACTIVITY APPROVAL

Pursuant to section 23A of the *Mining Act 1992*, an activity approval is granted to carry out the assessable prospecting operations, which form part of the Activity on EL9399, from the date specified in the 'Notice of grant of amended activity approval' given for this approval, on the following terms by reference to the definitions below:

General

1. The licence holder must carry out the Activity in accordance with the Application.

Exploration Code of Practice: Environmental Management

2. When carrying out the Activity, the licence holder must comply with Part B of the *Exploration Code of Practice: Environmental Management* (NSW Department of Planning and Environment, July 2015, as amended from time to time).

Note: Part B of the *Exploration Code of Practice: Environmental Management* (NSW Department of Planning and Environment, July 2015) prevails in the event of any inconsistency in it and the Application.

DEFINITIONS

Words in this instrument have the meaning given to those terms in EL9399, unless otherwise specified below.

EL9399 means Exploration Licence No. 9399

Activity 'EL9399 Exploration Program - Stage 2' means the activities described in the Application.

Application means:

a) The original APO0001351 (Application to conduct exploration activities for Assessable Prospecting Operations) and supporting documents prepared by James Heesterman and received 21 April 2023

b) Application Form ESF4 MAAG0017117 (dated 25 March 2024) and supporting documents

If you require additional information, please contact the Resources Regulator on 1300 814 609 or via email at nswresourcesregulator@service-now.com.
