

FACTSHEET | CERTIFICATES OF COMPETENCE

First aid and emergency competency

November 2016

Candidates applying for a certificate of competence granted under the *Work Health and Safety (Mines & Petroleum Sites) Act 2013* from 1 July 2017 will be required to hold national competency units in first aid and emergency preparedness as provided in the table below:

Certificate of competence	First Aid	Emergency Preparedness
Underground coal mines		
Mining engineering manager	HLTAID003 Provide First Aid	RIIERR602D Establish and maintain underground coal mine emergency preparedness and response systems
Electrical engineering manager	HLTAID003 Provide First Aid	RIIERR602D Establish and maintain underground coal mine emergency preparedness and response systems
Mechanical engineering manager	HLTAID003 Provide First Aid	RIIERR602D Establish and maintain underground coal mine emergency preparedness and response systems
Undermanager	HLTAID003 Provide First Aid	RIIERR501D Implement underground coal mine emergency preparedness and response systems
Deputy	HLTAID003 Provide First Aid	RIIERR402D Apply and monitor underground coal mine emergency preparedness and response systems
Coal mines other than underground		
Mining engineering manager	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Open cut examiner	HLTAID003 Provide First Aid	RIIERR401D Apply and monitor surface operations emergency preparedness and response procedures
Electrical engineer	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Mechanical engineer	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Underground mines other than coal mines		
Mining engineering manager	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Electrical engineer	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Underground mine supervisor	HLTAID003 Provide First Aid	RIIERR404D Apply and monitor underground metalliferous mine emergency preparedness and response systems
Mines other than underground mines or coal mines		
Quarry manager	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
Electrical engineer	HLTAID003 Provide First Aid	RIIERR601D Establish and maintain mine emergency preparedness and response systems
